

MUSHROOM GROWING WORKSHOP

Interested in growing your own mushrooms?

Want to learn more?

Come to our hands-on workshop!

Learn how to properly prepare and inoculate logs with shiitake spawn to have a backyard mushroom harvest of your own!

When: Saturday May 4th 2019 from 9 am till 12 pm

Where: Conveniently located at NMU's Outdoor Learning Area,
directly in front of NMU's New Science Facility

Please call Jaimi @ 906.226.8871 ext. 129 to register for the workshop
